PERMANENT RECORD - DO NOT DESTROY.  
YOUR CALIFORNIA EPA IDENTIFICATION NUMBER IS:

# CAL000417582

This is to acknowledge that a permanent California Environmental Protection Agency Identification (EPA ID) Number has been assigned to your place of business.

---

An EPA ID Number is assigned to a person or business at a specific site. It is only valid for the location and person or business to which it was assigned. If your business has multiple generation sites, each site must have its own unique number. If you stop handling hazardous waste, move your business, change ownership, change mailing address, or change the type or amount of waste you handle, you must notify the Department of Toxic Substances Control immediately. If your business has moved, your EPA ID Number must be canceled. A new number must be obtained for your new location if you continue to generate hazardous waste.

---

This EPA ID Number must be used for all manifesting, record keeping, and reporting requirements. Please retain this notice in your files.
